The Red Junior defense fails to stop Roseanna Pollicorpo from scoring the first Senior touchdown

Wide receiver Karen Sobieski picks up another first down

The reason they all look so serious is that this is the contest the Senior and Junior girls look forward to and can hardly wait for . . . and here it is . . . time to take the field to run, block, pass and kick. Some call it fun, others think of it as the SUPER BOWL. But, when it was over both players and fans enjoyed it. A warm November evening just added to a great night! Well, that is a great night for the SENIORS that proved it takes experience as well as power to claim the right for the crown of POWDERPUFF!

HOMECOMING QUEEN

The extraordinary emotional impact of hearing your name ring across the stadium tends to blur reality, and after the goose bumps come the tears of joy!! To lovely NICOLLE LARSEN this night made her Senior year something she will remember for the rest of her life! She has been active here at PHS as a member of our soccer team and has developed a strong interest in the subject of English. Nicolle loves to water ski and puts Mexican food at the top of her list. Down the road she sees four years at San Diego State College with a major in business. This summer she will tour Europe. We know that success is in her future and wish her the very best!

Marjorie and Sara

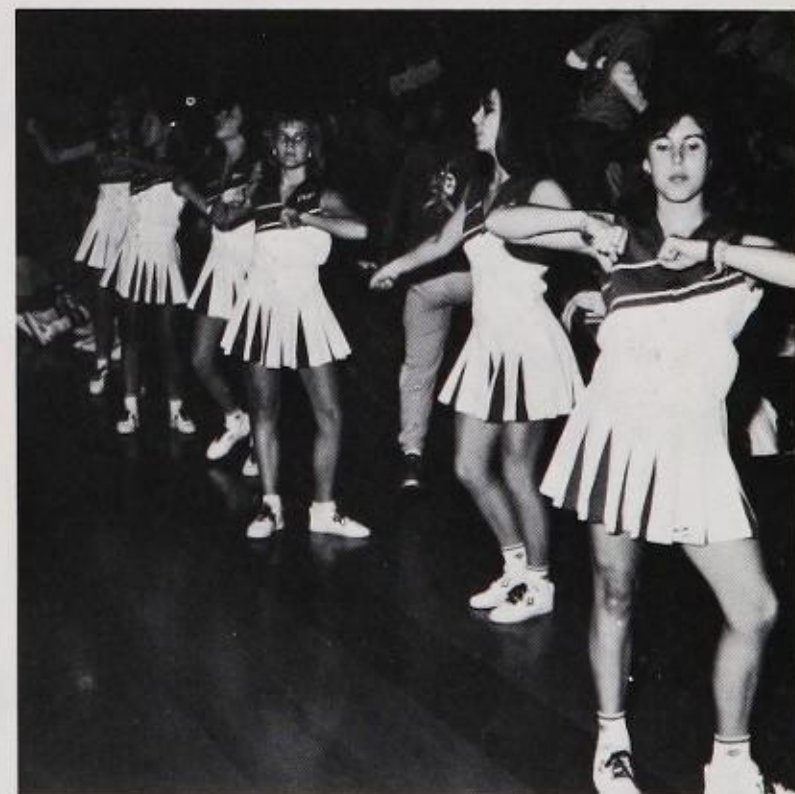

Michelle and Shaleah await the music during a rally.

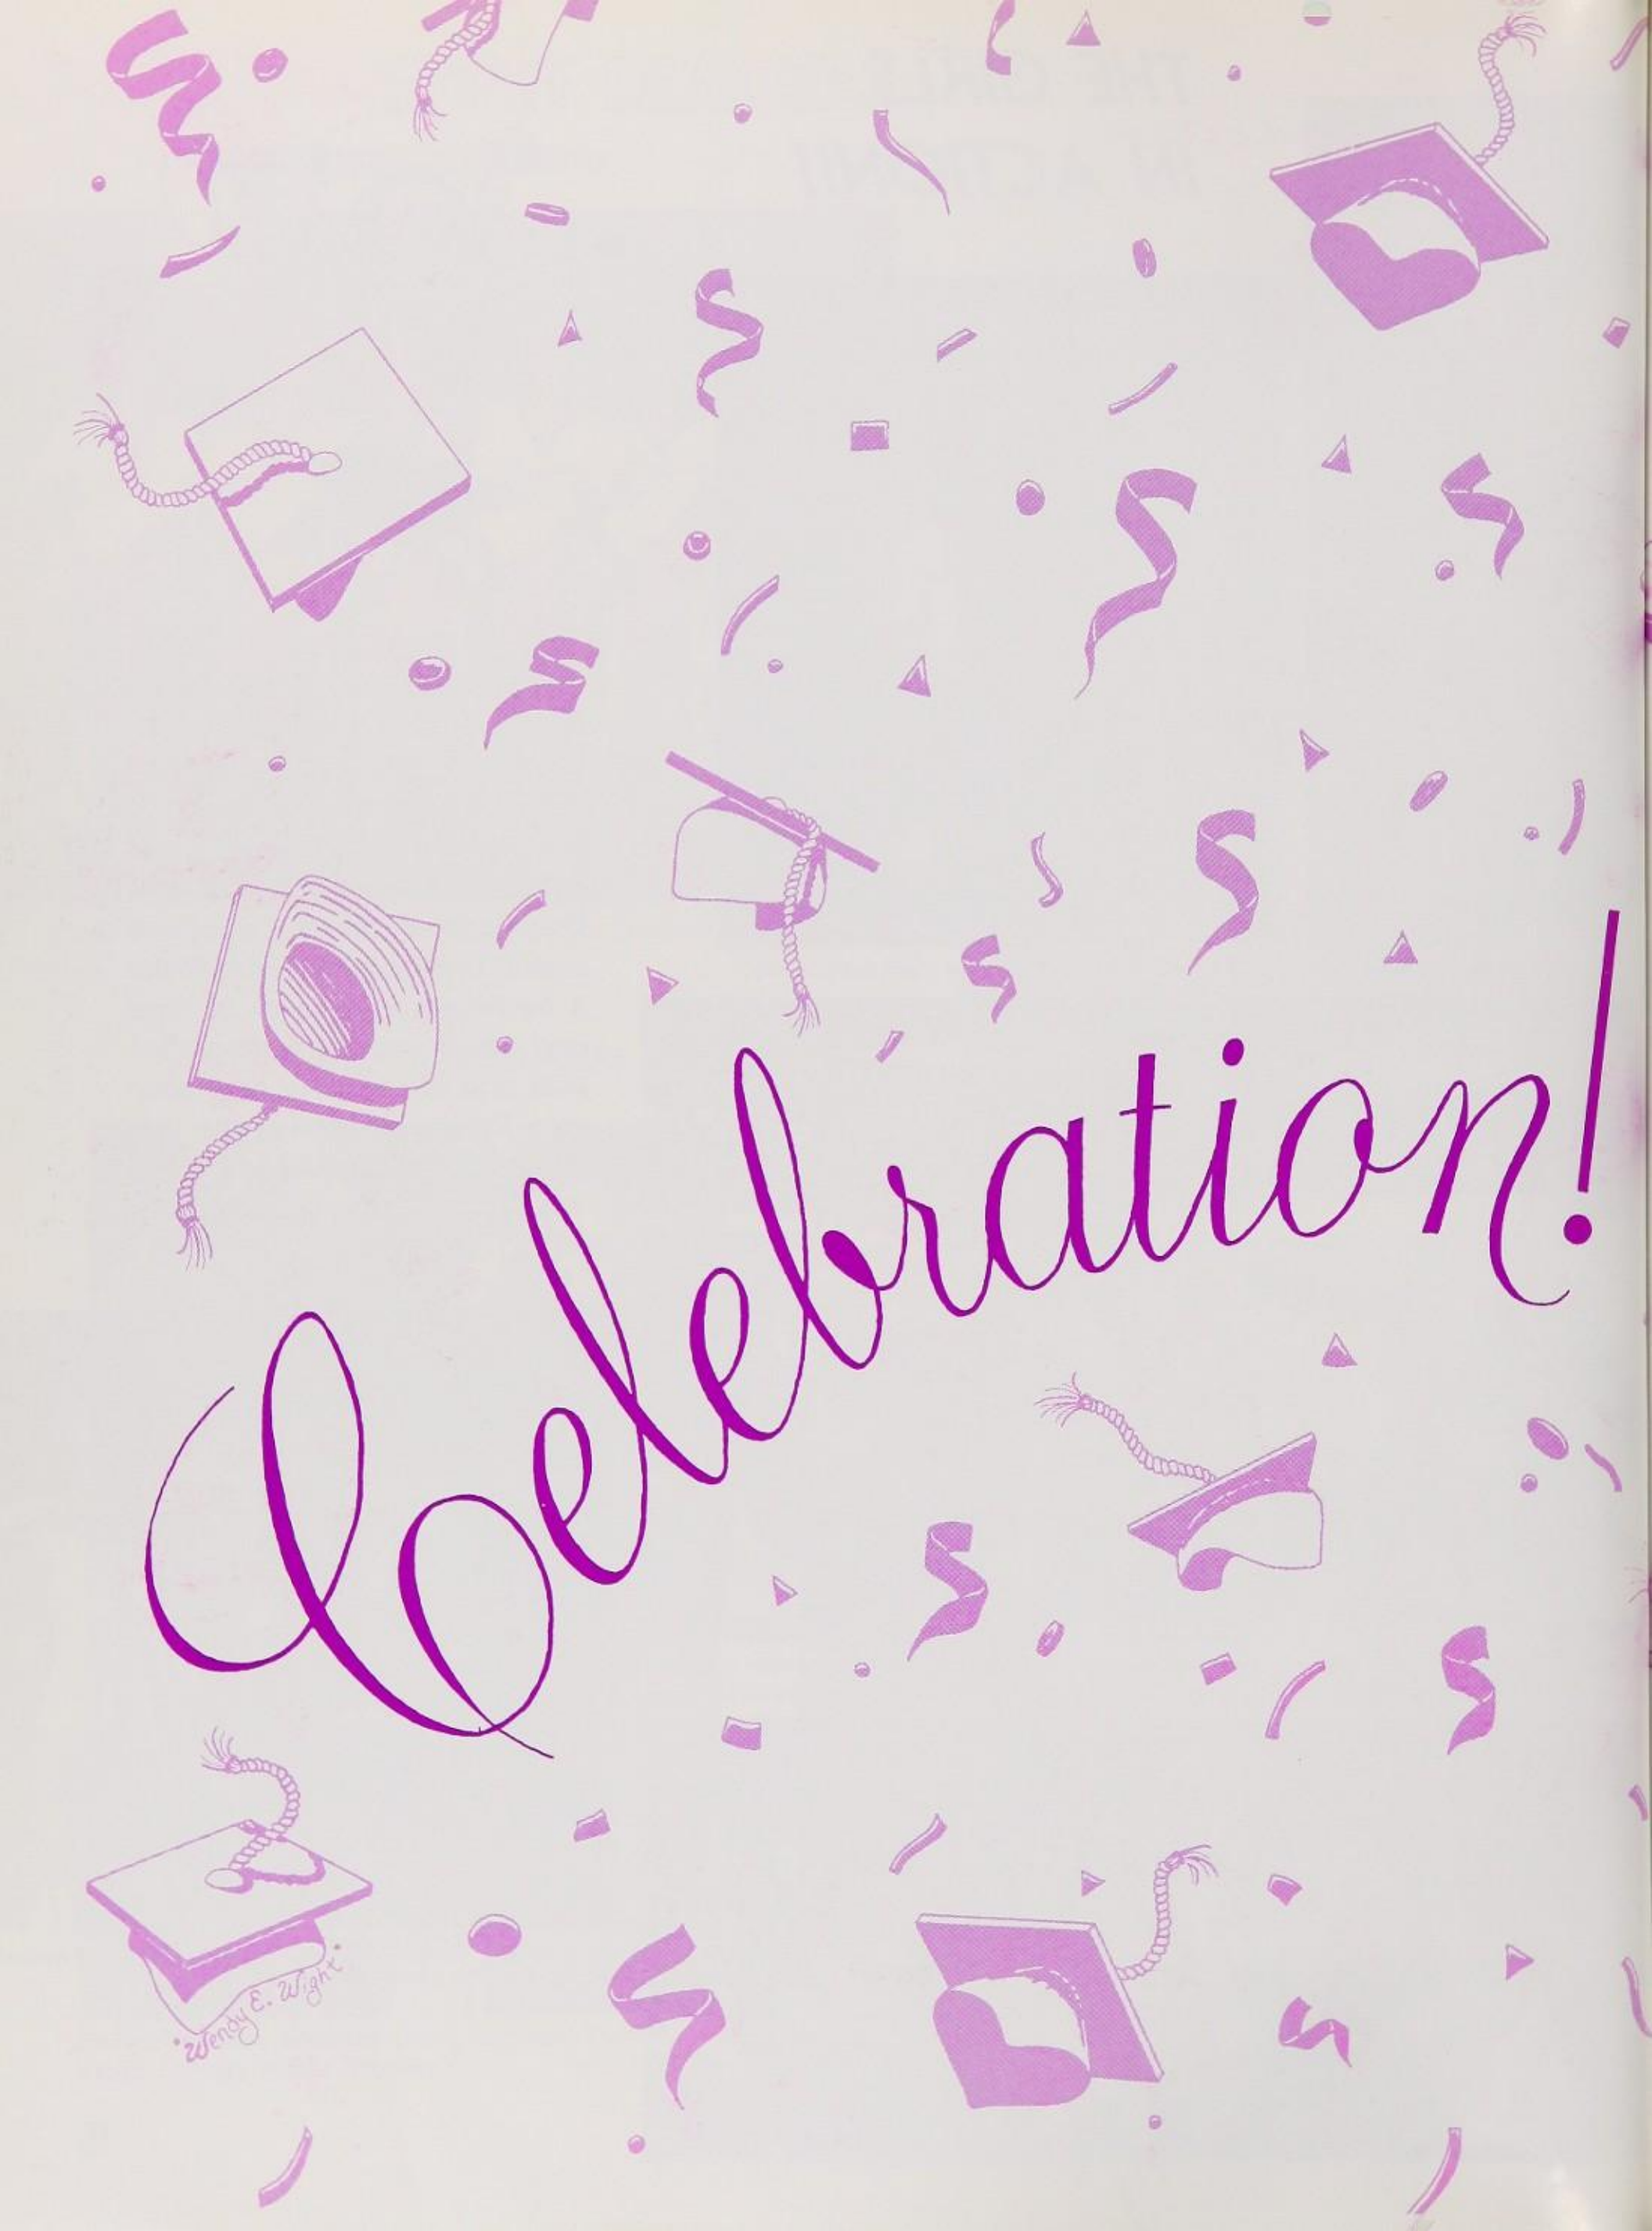

SCHOOL SPIRIT is the way by which students become more involved in activities other than those of an academic nature. In this area the *CHEERLEADERS* and *SONGLEADERS* play a vital role. They attend all of our sports events and daily continue to put a tremendous amount of time and effort into perfecting their skills and developing new routines. Their summer was spent at camps training and competing. We appreciate your hard work, **HONEST!**

(Above) Summer camp at Santa Cruz found the girls up early each day and moving from one training session to another. (Below) Color and spirit are the trademarks of our hard working girls.

The Freshmen Cheerleaders gave the teams plenty of support as they lead the crowd during a time-out period.

The background of the entire page is a light purple color, decorated with a pattern of small, stylized purple streamers, confetti, and geometric shapes like triangles and circles. Several larger, more detailed illustrations of streamers and confetti are scattered across the page, particularly around the central text.

Celebration!

At long last Troy brought forth its vast resources of STUDENT TALENT with song, dance and music in the production of "WE'VE GOT A SHOW FOR YOU". Filled with superb dance numbers and lyrical songs from a number of BROADWAY HITS, the cast displayed exciting ability and enthusiasm. Under the direction of choral director LAILA SCHOENLEIN and choreographer JIM CAMPBELL the production drew one of the largest audiences in recent years! We are certain that this is the start of a wonderful and lasting tradition.

Jim Clarke and Escort Trisha Karen

The excitement of the Friday night basketball game on February 8th, against Casa Grande wasn't just for the game. At half time the long awaited decision for the King of Hearts was announced, and the winner is . . . Jim Clarke and his escort Trisha Karen. Jim has been involved in football, track, and was a coach for the Senior powderpuff team. He plans to go to Santa Rosa J. C. for a year and hopefully get transferred to CAL Poly to become an art major. Trisha has been active in track and also involved in powderpuff. She plans to attend Santa Rosa J. C. then transfer to a four year college, to work in Public Relations and Advertising. Congratulations Jim and Trisha and good luck in the years to come.

APPOINTMENT WITH DEATH

By Agatha Christie

All intense thriller taking place in Jerusalem and "the rose-red" city of Petra. A three-act play about the Boyton family and their evil mother who through mental cruelty acquired complete control over them. Later the family rebels as members start to change and they make plans to kill their mother. She, however, sees death in her future, commits suicide and leaves major problems. The family then is faced with a repeat of the controlled situation that existed when the mother was still alive. A very serious and complex series of events!

Working Hard To Improve School Spirit

This particular school year saw the elected positions of the Associated Student Body Cabinet become a more important duty for a variety of reasons. Activity time had to be extrapolated with telesis in the realizations of the newly extended school day. Their main goals were to instigate reform and stimulate a sense of school spirit within the student body by their example. Vastly improved rallies and activities helped successfully foster a more wholesome attitude among faculty as well as students. All of this helped bring many into the realm of pride and joy concerning the learning experience. We were all incomprehensibly enhanced and enriched by the initiative and involvement of our ASB officers.

SENIOR CLASS OFFICERS

The emphasis of the effort put forth by the SENIOR CLASS OFFICERS was on SPIRIT and INDIVIDUAL STUDENT INVOLVEMENT. All of the events planned by this group had the goal of getting as many students as possible active in the planning and evaluating of each activity. This aim was met in everything from fund raising, Homecoming, Super Spring Week, to the final details of the SENIOR PROM. This exceptional group of SENIORS worked as a unified body and impressed both faculty and student body with its fine work.

SPORTS

Varsity Ends Season With Flurry Of Wins

If you had paid attention to the Press Democrat's pre-season rating you would have noticed that Petaluma was not in the top-ten. Such ratings can be deceiving and the Trojans showed just how wrong the critics can be! It took this squad a while to get started but by the end of the season they had everyone's attention. The pre-league scores of a 0-32 loss to Terra Linda, 0-10 loss to Santa Rosa, 0-21 to Montgomery and 13-37 loss to Piner and 0-7 to Rancho looked bad, but WAIT!

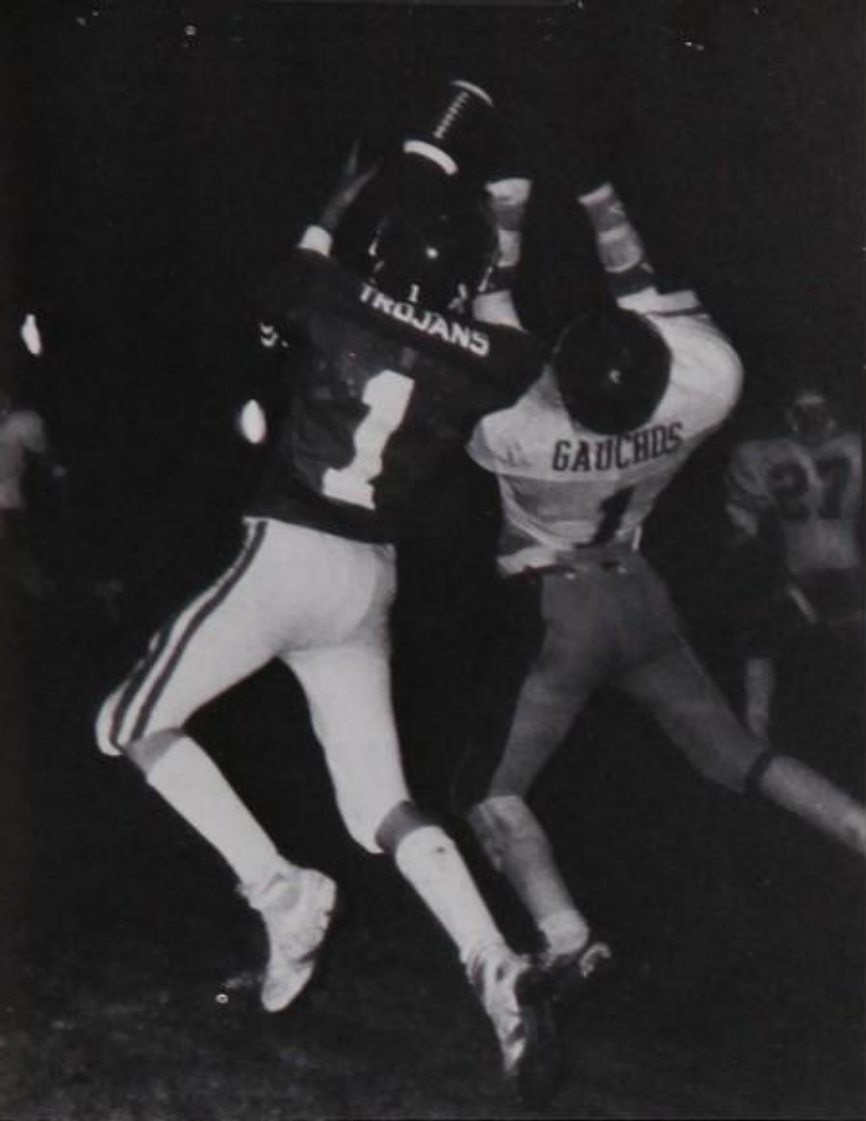

At the end of the season the Press Democrat's annual All-Sonoma County League selection included THREE PET ALUMMA TROJANS ON FIRST TEAM HONORS. They were Seniors Chris Sullivan for defensive back and Jim McAllister for linebacker. The nicest surprise, however, was Junior Casey Golterman, who was voted LINEMAN OF THE YEAR along with FIRST TEAM HONORS in both defense and offense! Leading such talent were Senior Team Captains Matt Torrens and Jim Clarke. AND JUST WAIT 'TIL '87!

Going into league play, Coach Steve Ellison and his team were still looking for their first win as they faced Sonoma. Again the breaks and the numbers didn't fall into place as the 0-21 score pointed out. Now came Cross-town rival and new league opponent CASA GRANDE. A hard-fought game that left Troy on the short side of a 9-16 loss. Now 0-2 in league play PHS faced a highly ranked ANALY and here the T-Boys came into their own by upsetting the Tigers 27-7! All the pieces started to fit together and the books showed 273 yards running plus a strong offensive performance by Chris Sullivan with one TD and three extra points. Todd Mellor joined in with 108 yards rushing and one touchdown.

Running back Albert Correia cuts inside as Jim Clarke and Dave Colazzi block.

PHS Earns Big Wins Against Final Opponents

This highly pumped up squad now faced EL MOLINO. With no breaks coming their way in the early going the Trojans found themselves behind 17-7 going into the 4th quarter. Suddenly some powerful running by Matt Torrens and Erik Renga put the T-Boys in position for Albert Coreia to go five yards and take a 22-17 WIN!!

Heading into the final game the Trojans were now the Comeback Story of the Year! Healdsburg was the target and the T-Boys were up to the task as all the hardwork paid off and with four minutes remaining in the 4th quarter Chris Sullivan nailed a 25 yard field goal for a 23-21 win! The win earned 2nd place in SCL.

Quarterback Matt Torrens picks up his own first down against Montgomery.

Coaches watch every move made on the field to make the necessary moves toward yet another victory.

Jerome Martinez and James Grossi put distance between their opponents.

Trobabes Win Over Analy And El Molino

Spirit and determination became the trademark for this Junior Varsity Team as they opened the season with a team that would not set a record for size. What they really had was heart and with that they played hard and competitively. All of this effort gave the varsity coach some high hopes for the '87 season.

With such outstanding players as Jerry Spalletta, Rico Respini and Colin Bergstrom, the team played some tough games. Victories over Analy and El Molino gave the T-Boys a 4th place in the SCL and an overall season record of 2-8. This experience will help develop a group of players that will be great next year.

BOYS SOCCER

The Trojans had a highly talented team this year with returning key players Bill Bertolucci and Mike Mossi who were both named to FIRST TEAM ALL LEAGUE. Outstanding goalies Mike Longaker and Matt Dito shared the spotlight as starting keepers throughout the year. Exchange student Eric Houben was a valuable asset to the forward line as he was the leading scorer for Troy. With all of this talent Troy posted an excellent 7-3 record in SCL and a 12-8-2 overall. A few star players will graduate this year but Coach Fred Brunton expects to have a spectacular season in 1987.

Boys' Junior Varsity Soccer

The Junior Varsity Soccer Team set out to prove itself and that is just what it did with its 7-2-1 league record and a 10-4-1 overall mark for the season. Under the guidance of first-year Coach Bob Jones this young team outscored their opponents 35-17 in SCL play. Coach Jones named forward Alex Treu, midfielder Andrew Dee, Fullback Wes Kellison and goalie Frank Homet as team standouts. This group is certain to contribute to '87's varsity.

Young Squad Has 11-4 Season

Heralded as the 1986 League champions, the Girls Varsity Soccer team was unable to retain the title for 1987. Despite having few returning lettermen they finished 11-4 and in third place. Coaches Jim Quinones and Jack Schrock promoted fairplay and sportsmanship for this young squad. With this experience everyone looks forward to next year.

Another perfect set by Barbara King.

The 1986 season was three months of rebuilding and giving experience to a young varsity girls volleyball team. Last year's team graduated 8 seniors, which left the '86 squad with 2 veteran seniors. Coach Linda Jacobson was faced with the task of making this young team work together. Though the season may have been rough they gained valuable experience.

Leading the team was Sophomore Katy Eldridge. She was voted Most Valuable Player by her teammates and can be counted on to be a major force in the SCL next year. Other standout players were Senior Kathy Stebler, Junior Noa Burge, and Sophomore Leone McPhee. The Trojans enjoyed victories against such league teams as Sonoma, El Molino, and Healdsburg.

Next year's team will have their sights high. With their gained knowledge and experience, the Trojans will be looking to better their record and go for a SCL title.

TROJANS RUN PAST CASA

Returning with their winning ways, the Trojans ran to a 3-2 season for both the boys and the girls in SCL League competition. On the boys side, Bryan MacKay, Shane Manning, and Rollin Gehring were the only returning seniors. MacKay ran to victories in the Fairfield Invt., the Montgomery Invt. and placed a strong 13th in the Meet of Champions. Sophomore P.J. Pedroni and Junior Ryan Jay were always reliable contributors to the teams success as the Trojans number two and three runners. The girls team was again led by Junior Joline Oliver and Sophomore Lori Kibler. Oliver placed 6th in the SCL League meet and qualified to run at the NCS 2A meet. Both the boys and girls teams ran strong throughout the season but because of its youth they lacked depth and came up short of transferring at the league meet. Next years squad will again be young, but coach Doug Johnson will be looking for another successful year.

T-Boys Post 13-11 Overall Record

Once again the wrestling team proved themselves as being one of the most fierce collection of competitors in the league and tournament competitions this year. Returning letterman Barret Starke, Steve Levinson, Richie Pederson, Javier Ramirez, Andy Dee, John Pederson, Bruce Burnett, Yong Chun Ko, and new comers Brad Spurgeon and Brett Callahan helped the team immensely to achieve its 13-11 overall record. Coach Denny Plyler was very pleased when his team demolished Casa Grande 63-3.

Strong individual efforts stuck out as the team sent nine wrestlers to the NCS playoffs and emerged with a 10th place finish out of eighty teams. 115 lbs. Steve Levinson even earned chance to go on to state competition.

TROJANS PLACE SECOND IN SCL

The 1987 Varsity Boys Basketball team was the epitome of senior power. Of the 12 man team, 9 of them were seniors. Needless to say the Trojans were very experienced. Most of their closeness had come through playing together since Junior High. They worked together like seasoned veterans and beat their opponents by their strongest asset, teamwork. The Trojans had a successful season in that they had an excellent record, but more importantly they were again taken seriously as a major power in the Redwood Empire.

Petaluma head coach Eric Hoppes has had his share of losses in the past two years and going into the '87 season he was not to be denied a winning record. Along with Hoppe's

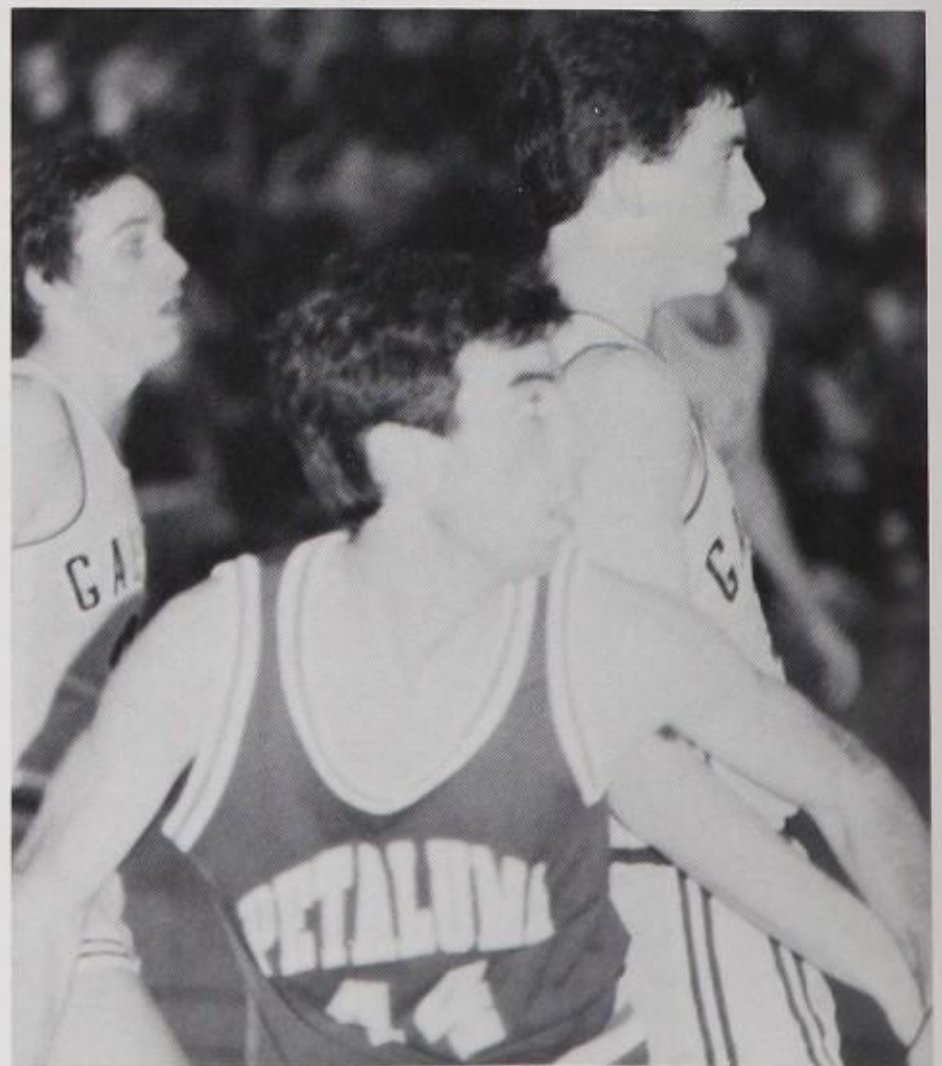

desire came a team that has shown their promise since Freshmen. This close knit bunch was led by the multi-talented forward Damon Allred. Allred was the leading scorer averaging 15 points a game and was a scoring threat outside and down low. The two guard spots were filled by Jason Wright and Nick Iacopi. Wright was the playmaker who always kept things in control while his counterpart Iacopi was the man who made the spectacular steals and buried the twenty footers. The remaining two positions were rotated by three people, guard Bill Sorg, center Jeff Dietz, and forward Matt Torrens.

Leading scorer Damon Allred skies for another two.

100% Improvement over '86 Season

'87 Seniors Show Their Power!

Sorg always seemed to become the person with game deciding shots while Deitz was the dirty inside man characterized by his Kareem-like hook shot. Torrens was the player that typified the whole team, a strong defense, an inside scoring threat, and most importantly a team player. The Trojans had an excellent 18-8 record and a 8-2 league record because they played basketball as a team sport not as an individual effort.

The T-boys performed well from the start of their season. A few of their key wins in the early season was a 71-65 win against a tough Analy squad at the Rose City Tournament and a 61-58 win against San Rafael in the Drake Tournament. These two wins gave the Trojans the confidence they needed to beat the best in the Empire. Going into the league season the Trojans were 10-5. They were playing more consistantly and gained even more confidence with a victory over the number

one ranked Ukiah Wildcats.

Their first league game was a closely waged battle against Casa resulting in a 70-67 Petaluma victory. Their first loss came in a heartbreaking triple overtime defeat to SCL's top ranked Analy. Though the Trojans were playing well in a majority of their games, their defeats came when they had become unpredictable with ice cold shots and uncharacteristic mistakes.

With a hotly contested race on for the SCL title the Trojans stepped up the pace. They played with ferocious intensity and won their last four games, including a revenge win over Analy. The T-boys finished 2nd in league with a 8-2 record, a mere game behind first place Analy.

Coach Pawlan fires up J. V. spirit

Improvement was the order of the day during basketball season. This season's J.V. team was made up mostly of advancing members from the freshman squad. All of the players made great strides to improve themselves at basketball. It was a slow start during the pre-season with a record of 3-11. But great improvement showed as the team progressed through the league with a league record of 6-4.

During the league games the players edged out ahead of Casa Grande, Analay and El Molino. They gave both Sonoma and Healdsburg a run for their money but unfortunately couldn't defeat them. Coach Pawlan said that the most improved squad members were Brad Burge and Mike Boylan. All in all the team held through the season with pride and determination.

FRESHMAN FINISH IN FIRST PLACE

FRESHMEN BOYS BASKETBALL

Awesome, is a good description of the kind of season the Freshmen Boys Basketball team had. The T-boys posted a superb 15-3 season record and a 9-1 league record. Their outstanding play earned them first place in the SCL and gave themselves high aspirations for the future. Coaching this talented squad was '82 Petaluma alumnist Joe Enes. Enes was a good outside shooter in his hayday and taught this playing style to his young players. Most of their wins came by literally outscoring their opponents. Sharpshooters Jason Dana and David Siebe were the high scorers for the team. The point guard spot was filled by excellent passer and defensive player Kyle Reischling. The remaining positions were rotated mainly with three players. They were Ned Glynn, Les Hamilton, and Tom Brooks. The Trojans suffered their only league defeat to Healdsburg by three points, but sought revenge at home and defeated the Greyhounds by a much larger margin. Throughout the season the Trojans showed poise and outstanding talent which gives Petaluma high hopes for the future.

Girls Varsity

The Trojan Varsity Girls started off with 7 returning letterman and six newcomers. Coach Doug Johnson spent many hours with these girls and by the end of pre-season they emerged with a five game winning streak. In the league opener-their first in SCL, against crosstown-rival Casa Grande; Troy took home a 50-29 victory. This promising start was upset by a grueling match against Sonoma that found our girls down by one basket at the final buzzer. The following week Troy had a one point win against Analy and a big loss against Healdsburg. Playing tough in their final three weeks of the season, the girls suffered one loss to Healdsburg. The final season tally was 7 wins and 3 losses.

The tradition at Troy is that our badminton team is always in league contention. With a turnout of about forty players Coach Jill Jones was hard pressed to select a varsity squad. VARSITY TENNIS

Boy's Varsity Tennis returned to Petaluma High this season under the direction of Coach Dave Richardson. this also marked the first time that the team played in the Sonoma County League (SCL) rather than the North Bay League.

Rain delayed the start of the season and actual league play did not start until the 14th of April against El Molino on the Petaluma courts.

The player sign-up list had the names nineteen interested boys that at the time of this publication did not have a chance to be ranked by the coach. The team will play five singles and two doubles teams and will probably carry twelve to fifteen members. From past experience Troy can expect the boys to be strong league contender and with a large number of underclassmen on the roster the future looks good for tennis.

JV's Open With Three Big Wins

Forty Five students turned out for JV Baseball, a new record, but the task of cutting down to a final roster of 22 fell on Head Coach Jack O'Connor. Five returning players made it a little easier. With this experience and bright new talent the squad moved right into the win column. Although there is no official league championship for the JV's Troy was declared the winner in '86 and certainly expect to repeat in '87.

Season opens with wins despite rain delays

The women of Troy always field a powerhouse of a softball team and this year is further proof of that. Pick an area and you find strength - fielding, pitching, hitting, or whatever. The problem Coach Jan Moore will have is picking the starters! Names like Sharon Hale, Debbie McKenna, Colleen McMullum, Barbara King, Kristee Hathaway, Alison Hurley and Robin O'Connor will shine all season!

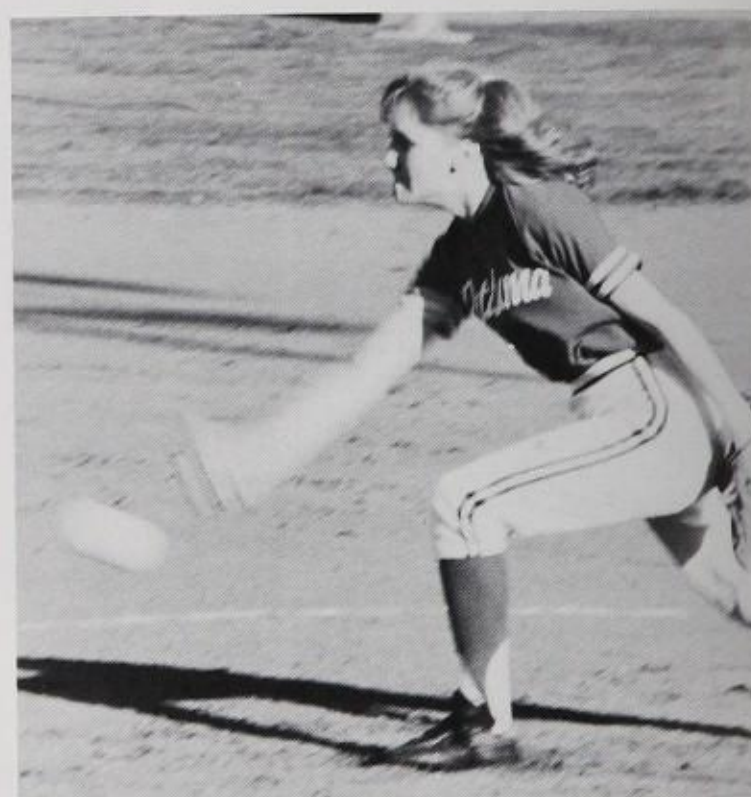

A low pitch fails to tempt Kelly Casselman in season opener vs Tam

Debbie McKenna plays her position like a pro as she stars in her final season for Troy.

THE BASIC PROCESS OF PRODUCING A YEAR-BOOK always seems so simple until it comes right down to doing it. Our goal is always to develop a superior book that allows as many students as possible to appear in our photos. We think of this publication as a record of visual memories that can be looked back upon by you in ten, twenty and fifty years from now. We want the faces to be there as well as the places and the events . . . ENJOY IT!!!

And Now For The News . . .

The goal of every school newspaper is to report the events and activities of particular student body . . . and our newspaper does it so much better. With its able staff of reporters and writers we read the stories and see the pictures that inform us about sports, new ideas, and much, much more. We are updated on important issues and reviewed on old ones. In each edition we learn about our fellow students that have been off on conventions, such as JSA and FFA members. We wonder where such ideas as a "closed campus" come from, or feel sorry for students involved in Drug rehab programs. The Sports Section furnishes facts and figures that allow us to share the season with the players.

TO THE CLASS OF '87

Four years ago, we, the Class of '87 unknowingly began the count down of some of the best days of our lives.

As Freshmen we each had our own group and were close to very few others. But as time passed, we all got closer and became the very best of friends. Together we struggled through semester finals, crowded hallways, and longer and longer class periods. together we cheered at rally's and games. Together we won and together we lost as our spirit for school and class grew stronger and excelled.

We dated, and teased, sometimes argued and shared many laughs. together we became Seniors and TROY belonged to us as we engaged in the many Senior year activities and new responsibilities, and just couldn't wait for graduation as we looked toward June 13th. But now it is here and our countdown is complete.

The time has come for us to say goodbye and we move on in our separate directions. And as we leave Petaluma High we take one thing with us. The fact that we are the Class of 1987 and in many ways, WE ARE REACHING FOR THE TOP!

Erin Mansfield

*Erin,
When you learned to sit up,
We were there to help and cheer.
When you learned to crawl,
We were there, to smooth the way.
When you learned to walk
We were there, holding your hand.
Then you ran, rode a bike, skated, learned to swim,
played baseball and did all those wonderful kid things and
We were there to share your cheers and to share your tears.
You learned to drive and we were there,
Reminding you to, "use the clutch" and "not to close"
And then you started off on your own and we were there,
to worry and wait and even say a prayer.
Now suddenly arrives the time when you must fly completely off on your own,
into new places, new experiences, new challenges.
And you will be there, we remain here.
So fly far and fly strong, see all that you can see, do all that you can do.
Enjoy all of the excitement and joy that life brings.
We have always been and always will be, very, very, proud of you!

"Never Forgetting"

*Changing our lives, we are turning a leaf
Finally a Senior. Oh what a relief!
The last year of high school is unlike the rest,
We made it the funnest, and surely the best.
4 more years, 3 more years, 2 more years, 1
It's hard to believe that the counting is done.
It's true we were rivals, but we didn't mind
For our friendship's unique, we are one of a kind
But now we are Seniors, and soon we'll be gone
Building our lives as writing a song.
Prepare for the future is all we can do
As "Grad Day" is waiting for me and for you.
Leaving teachers and books behind.
We're turning a corner to see what we'll find.
Leaving our friends to seek for new ones
As we step into adulthood and accept our rights
Leaving the people we loved through the years
And all that is left are some last good bye tears.
Forgetting and leaving the past to an end
But never forgetting:*

*That We Are Best Friends
Forever . . .*

Darren will live forever in our memories for his love, friendship, sense of humor, faith, strength and courage in the face of insurmountable odds. He will be greatly missed. We are all richer for having known him.

Excerpt from FOOTPRINTS
The LORD replied, "my precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

In Memoriam . . . Paul Bonel

A warm, bright personality left us this past March. Paul Bonel was loved for his creative nature and selfless attitude. He touched the lives of those who knew him through his unique free-spirited attitude and his honest interest in others. He saw the issues of life in a unique and refreshing way. Paul will long be remembered by all of us,

*Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.
Hold fast to dreams
For when dreams go
Life is a barren field
From what we know.*
